

**Present:** Fr. Swamy, Terry Evans, Gene Simon, Mary Wilson, Sandy Strand, & Jackie Evans.

**Call to Order & Prayer:** 5:30 PM via Zoom

**Approval of Minutes:** NA

**Pastor Update:**

- REP is going well. The only classes in person are for 2<sup>nd</sup>, 9<sup>th</sup> & 10<sup>th</sup> grade students. All others online. Total currently registered are 196 which is about 90%.
- Penance communal service cancelled. Father is offering additional confession time before daily masses during advent. The rest of the year will be before Friday and Saturday mass.
- Christmas masses will be the same as last year. Christmas Eve 5,7,8:30. Christmas Day 8 & 10. People will need to make a reservation.

**New Business:**

- Mary Wilson motioned to nominate Jane Kubista to the CEMF Board, Terry Evans seconded. Motion Approved.
- Mary & friends would like to do some evangelization to get families back to mass. When the time is right will have to be decided. Thinking of information packets, gifty ideas, or project making events to draw them in.
- We have never done a celebration of the redecoration so we could/should look at doing that when possible. Originally had been some discussion of that being an ice cream social or something similar.
- Do we need to look at doing the calling to all members or at least the elderly of the parish? Father will do a Christmas letter.
- Financially we are holding up ok mostly in part to one very substantial donation. People are mailing in and using the drop box. No EFTs have been stopped.
- The question was asked to see if we can find out the number of viewers we have on the televised/U-tube mass. Sandy will check to see if we can get that information.
- Toys for Tots donations run thru 12/11. Applications available in the Narthex.

**Meeting Adjourned:** 6:00 PM
