Old Business:

- Organizational chart from 2009 was reviewed as to which committees were currently active/meeting. Some are ad hoc, some no longer active others not active since Covid. It was decided that we need to review and revise this at the March 2022 meeting. Then we can continue with efforts to priorities and get those most vital active with pastoral liaison in place where needed.
- Mary noted that one new addition would be the Cenacles of Life that meets on Friday.

New Business:

- Father arrived safely and is enjoying his visit with family. He returns home prior to the Feb 12th weekend.
- Ushers asked Bill if they should continue mass counts. After discussion it was decide we should and even publish them monthly in the bulletin for all to see. Hopefully that will encourage others to return.

Next Meeting: March 15, 2022. Zoom or in person to be decided.

Agenda Planning for Next Meeting:

- Organization Chart revision
- Mass count update
- Summer/Fall Picnic pre-planning

Meeting Adjourned: Mary motioned to adjourn, Jackie seconded. Approved and adjourned 6:25 PM. Closing prayer by Dcn Scot.

Respectfully Submitted,

Jackie Evans, Secretary
