Guest Attendee RE: Tabernacle: Joe Stiles present a request to replace the tabernacle with a more esthetically correct one. Nothing wrong with the current one just feels with the remodel one with a more Roman arched/dome style would be more fitting. When you consider the content, we should want it to be beautiful, sacred, and focal point within the church. Joe has presented to the finance counsel and he is willing to organize a small campaign to raise the funds for it. Several members recalled this was noted at time of remodel but not enough funds. After some discussion it was decided this would be a great addition and recommend the campaign includes, secondarily, candlesticks and any other sanctuary items needed if enough funds are raised. It was motioned by Bill and seconded by Jackie to give Joe the go ahead to organize the fundraising campaign. Approved.

Pastor's Report:

- June 4th there will a memorial mass at the cemetery
- Vacation Bible camp will be replaced by the Totally to You program. It will take place July 24-29 for 1st thru 12th grade students. There will an AM program for the younger kids and an Evening program for the older grades.

Old Business:

- Guidelines for Sales, Displays & Signage and the Mass Announcement Policy were reviewed and discussed as presented. It was noted that these are not new policies, just revised to remove things that are no longer applicable and show current revision date. It was motioned by Terry and seconded by Bill to approve current changes to both policies as present. Approved.
- Requested to re-open the canopy drop-off area has been brought to the building and grounds committee. Sandy read from the 4/18/2017 Pastoral Council minutes the response to this same issue. After much discussion safety is a major concern since that entrance is the main entrance. It was decided the Pastoral Council would NOT recommend re-opening the canopy drop off area but would be willing to listen to other option/ideas the concerned group would have to enhance another entry to meet what they feel is needed.
- Summer/Fall Picnic. Sandy will look at calendar and check with Knights of Columbus regarding breakfast schedule. Looking at September 11th or 18th as possible dates. Preplanning meeting will be Aug 9th at 5:30. Jackie is willing to organize the food for the event but need other leadership for other areas.
- It was motioned by Ev and seconded by Mary to table discussion on the Organizational Chart to the next meeting due to time constraints. Approved.

New Business:

- Bill and Gene are spearheading a Ministry Fair the weekend of June 4th & 5th. Pastoral members are asked to be there to assist as needed along with other representatives from the various ministries/committees.
- Council members. It was noted that a Chairperson and Vice Chair will be needed as Cheryl Peterson is done and Gene Simons will be going off the council. It would be good to add a few more members. Get any names to Sandy and Father will contact.

Next Meeting: September 20, 2022 at 5:30 pm.

Agenda Planning for Next Meeting:

- Summer/Fall Picnic
